### ***Important notice to all owners /ehxhibitors involved in the showing of animals.***

The Irish Shows Association would advise all Animal owners who have their Animals Insured to have their Insurance cover extended to cover them while showing Animals at Shows we understand that it costs very little or nothing at all depending on who you have Insurance cover with.

The reason for us in giving you this advice is that if your animal were to lash out and injure someone or damage someone's property and it is established that your animal was out of control at the time you may be held responsible or partly responsible for any injury or damage caused and could end up paying all or part of any settlement reached.

### ***Acknowledgments***

Midleton Agricultural Show Committee acknowledges the generous assistance given freely by the supporters many of them from outside the locality.

To the FELL Family, for placing the grounds at our disposal their help and co-operation.

The Committee wish to thank them all most sincerely.

# *The Irish Shows Association Rules & Guidelines For Membership*

## *About The Association*

The Irish Shows Association (ISA) is the official recognised body representing Irish Agricultural Shows on the island of Ireland. The ISA is a collective representative organisation which currently has more than 130 member shows, which run throughout the Summer and into the Autumn each year. Country shows are an important showcase for the Irish agri-food and bloodstock industries and an ideal platform for the myriad of artisan food producers in this country to display their products and services. Complementing the benefits to the rural economy, agricultural shows are a community event, boosting social capital and wellbeing with local clubs, community groups and schools involved. Agricultural shows provide a breadth of entertainment for local rural communities and most of the agricultural shows are administrated and operated on a voluntary basis, adopting the Irish tradition of the Meitheal model.

The Irish Shows Association Ltd. evolved from a Federation of Show Societies initially formed in 1931. Membership of the Association is open to all recognised Agricultural Show Societies throughout the island of Ireland.

The Irish Shows Association is governed by a voluntary board, consisting of one member for each five member shows. This committee meets on a regular basis and its function is to best ensure that the quality and standards of the Agricultural Shows and related organisations are at the highest optimal levels.

Criteria to assess the level of clash include close proximity geographically (within 100km), similar programme of classes, similar list of exhibitors. Supporting documentation will be required to substantiate any objection.

### Daddy Fell into the Pond by Alfred Noyes

Everyone Grumbled. The sky was grey.  
We had nothing to do and nothing to say.  
We were nearing the end of a dismal day,  
Then, Daddy fell into the pond!  
And everyone's faces grew merry and bright,  
And Timothy danced for sheer delight,  
"Give me a camera, quick, oh quick,  
He's crawling out of the duckweed,"  
Click!  
Then the gardener suddenly slapped his knee,  
And doubled up, shaking silently,  
All the ducks all quacked as if they were daft.  
And it sounded as if the old duck laughed.  
When Daddy fell into the pond!

### Geographic Landmarks by Davourneen Hanna

Fearsome distances disappear into coloured  
shapes like felt – animal jigsaws.  
Rivers wriggle like inky worms  
across cello taped pages of my atlas.  
Lakes and mountains nudge each other.  
sideways as they fight for space.  
upon my topsy turvy sandwiched map.  
Would Gulliver step on little towns?  
if the world was as small as this?  
Quiet spaces surround me as I ponder,  
wide prairies await me when I wander.
